

ALL RENTAL CENTER, INC.

COVID-19 Statement

To Our Customers:

First, I would like to say thank you for supporting our local family owned business in this troubling time. As an "essential business" we will remain open to serve our customers however I would like our customers to know the steps and procedure's we are taking to stop the spread of coronavirus or COVID-19, and keep our employees and customers safe.

- In our lobby, we ask that only 3 customers will be in line at one time.**
- We are also cleaning our counter and credit card readers every 30 minutes.**
- We ask that customers only use our front entrance with an automated door.**
- In our yard we ask that everyone maintains a 6' distance from each other.**
- To ensure everyone's safety we are using disinfectant on all the controls and most used items on the equipment.**
- We have asked our employees to not shake hands.**
- We will continue to deliver equipment however we have asked our drivers to follow the same procedures put in place for the office and yard.**
- We have asked any employees that feel ill to inform us, stay home and see a physician as soon as possible.**

I hope this letter will ease the minds of our customers in these troubled times. I also hope that by working together and dealing with these minor inconveniences we can eliminate the COVID-19 virus.

If anyone has any questions or advice to help us through this crisis, please email me at covid-19info@allrental.com

Sincerely, Jeff Thorp All Rental Center.
